

CONTRACT AGREEMENT

Please read and initial the following contractual statements below.

_____ I understand the following:

- Full payment of the design is due before the physical copy of the design can be placed into my possession.
- Any changes made to the design after presentation of the design will incur additional charges at a rate of \$90/hour.
- Sandhills Native Nursery is currently not performing any Earthwork (grass removal, land contouring, etc.). If you would like this done before the install of your plants, you are responsible for finding a suitable landscaper to complete the job.
- There is no warranty on my plants, and I am responsible for keeping my plants alive.
- I will be given a watering guide to help maintain the health of my plants.
- Sandhills Native Nursery is always available for questions pertaining to the health of your plants.

Delivery, Install, and Payment

_____ Sandhills Native Nursery offers delivery, plant install and plant set. Delivery comes at the rate of **\$2.50 per loaded mile** from the nursery to your location. Plant install includes our team setting the landscape design along with the install. Plant install runs at **\$90/hour**. Plant set includes only our team setting the plants according to your landscape design. You are then required to plant yourself (or find an alternative source to plant your items). Plant set runs at **\$90/hour**.

_____ **100% of plant costs** will be due before install (unless installing the design in phases). If installing the design in phases, 100% of each phase will be due before install of that phase. **100% of labor costs** will be due the day of install. If installing the design in phases, 100% of labor for each phase will be due the day of install of that phase.

Other

_____ You are ok with Sandhills Native Nursery using photos or videos of your landscape in our social media and websites.

_____ Would you like a list of plants and accompanying sizes during your design showing to go along with your installation and plant quote? (Write Y or N or the provided line).
